To Authorized Dignitary,
Sri Devraj Urs College of Nursing
Tamaka, Kolar, 563101

TO WHOMSOEVER IT MAY CONCERN

Dear Sir/Madam,

This is to certify that Learning Management System, being used by Sri Devraj Urs College of Nursing is a customized product of Summit Solutions. The installation and maintenance of the system is being done by our qualified engineer from Summit Solutions. The solution is deployed and is being used from the academic year 2019-2020. Below modules are opted by SDUCON and are being used:

- **Course management**– Creating courses, uploading course contents, assigning faculties for the courses, assigning courses to students
- **User management**– Creating users, id's, access rights, roles, permissions, modifying/deleting users
- **Manage course/training calendar**- Publish training calendar, updates to the changes
- **Course Tracking** – Track the status, completion percentage of the courses
- **Assignments** – Provide online assignments , assign timelines, track the completion, grade them
- **Assessments** – Conducting online assessments, tabulating the results, announcing the scores/grades
- **Feedback and Surveys**- Conducting surveys, getting feedback about the course after completion, suggestions on the course management

The version details of the software being used at this date is as below

- SS_LMS_Package – V2.1
-

-
- Moodle V6.4
 - PHP V7.2
 - MySQL V5.6

Any change of major version of the software will be informed to college authorities by email at least 10 business days prior to its effect.

Thank You,

Suhas Rao,

Director
