## Report On Vaccination Camp

Community Health Nursing department, SDUCON in Collaboration with Community Medicine, SDUMC & RLJH & RC have organized Hepatitis B Vaccination Camp (Extension Activities) for Municipality workers at Municipal Office, K.G.F on 24/11/2021.

Based on the health survey carried out for municipality workers last month, Municipality commissioner reported to Medical Superintendent, RLJH & RC, Tamaka, Kolar, the need for vaccination camp because most of the workers were addicted to liquor and was suffering from liver diseases in order to provide timely benefit of vaccine to workers vaccination camp was organized.

### Objective of the Camp:-

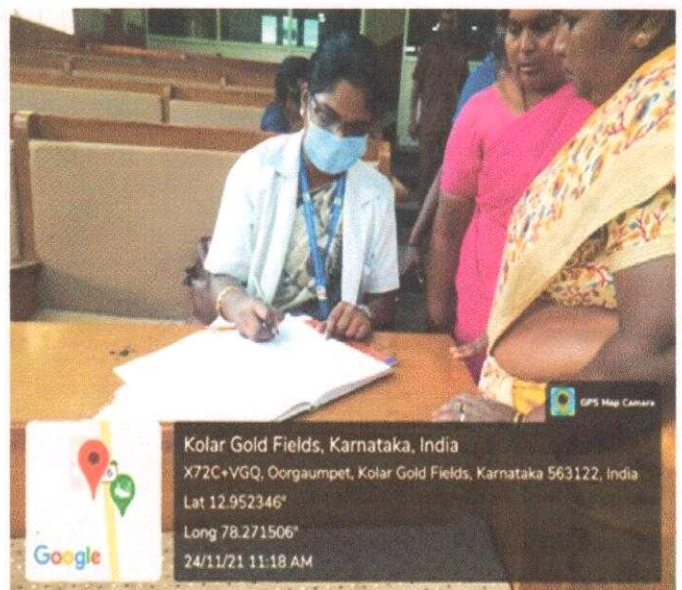

- To prevent the spread of hepatitis B infection that could lead to chronic liver diseases, such as Cirrhosis/Cancer of the liver.

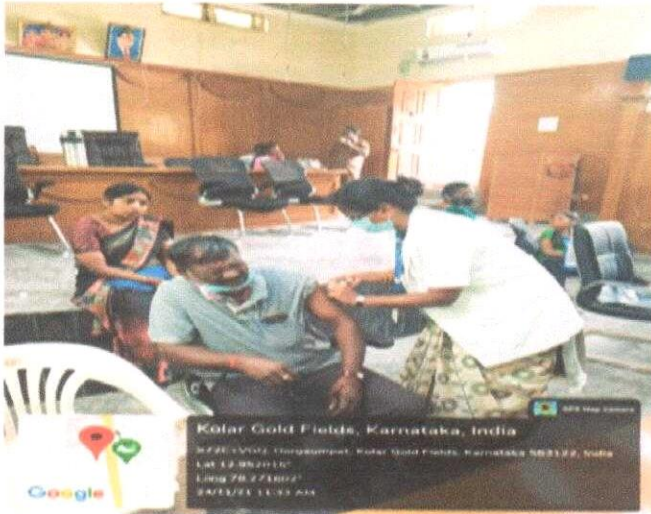

The vaccination camp started at 10:30am. Mr.Vallalmuniswamy, Municipality Commissioner welcomed the doctors, staff nurses, nursing faculty & clerical staff of RLJH & RC, Tamaka, Kolar.

Before starting vaccination, the Doctor gave brief awareness on importance of vaccination, its health benefits, risk of side effects and required follow up's.

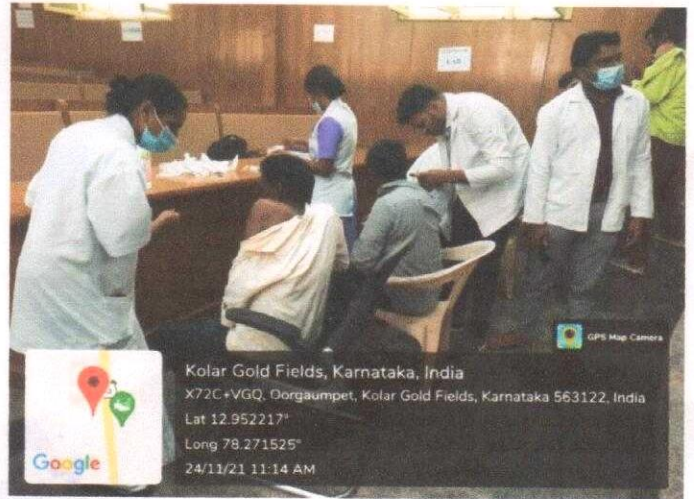

Total number of workers working in Municipality office were 180, out of which 160 workers along with family members got vaccinated, 134 were vaccinated with 1<sup>st</sup> dose and 26 with 2<sup>nd</sup> dose.

In order to reduce the adverse effects of vaccination, Antipyretic drug (T. Paracetamol 500mg-OD) was distributed to all the workers and advised to take when raise in body temperature and if feels uneasiness

Workers who were identified with complaints of fever, common cold were not vaccinated. The vaccination camp ended at 3:30pm, Mr. Vallalmuniswamy, Municipality Commissioner, thanked the organizers for organizing the camp & rendering the health services.
