Policy Document On

Performance Appraisal of Teaching and Non-teaching staff

Background

The policy document is designed by HODs of all departments in consultation with Principal. The inputs and suggestions are taken into account for designing policy. The policy document is submitted by HOD'S through the Principals office was approved in college Governing council committee on 20.03.2018. This Performance appraisal will be effective from the academic year 2018-19.

Purpose:

This policy sets a clear and consistent frame work for overall performance of teaching and non-teaching staff for supporting their development within the context of the job descriptions and responsibilities entrusted in the college. The purpose of performance appraisal is to help the staff for the professional cadreing and incremental process.

The staff performance appraisal is an assessment of staff performance for an academic year as per their job description which is measured on a defined criteria (Annexure-I to V)

Appraisal of Teaching Faculty:

The appraisal of teaching faculty is done by the students to the subject teacher, HOD and Principal evaluates departmental faculty and all departmental faculty evaluates HODs and Principal by the following assessment forms.

Sl.No	Parameter	Weightage
1.	Students feedback on subject teacher after the IA test	50
2.	Students feedback on class teacher after the academic year	30
3.	Results of the University examination of the subjects taught by the faculty	50
4.	Appraisal by HOD and Principal to the faculty	100
5.	Appraisal of HODs by the departmental faculty	100

Note: Additional weightage is given to the total score for the class co-ordinator Feedback

Parameter-1: Student's Feedback on subject teacher (50 points)

In each year, student feedback on all subject teachers will be taken after the results of each IA test. Students are informed on the parameters before starting the feedback. The parameter of student feedback will carry 50 points in appraisal form and it is enclosed in (Annexure-I and Annexure II Class coordinator feedback form)

Parameter-2: University Exam Results (50 points)

Every year after the declaration of University (annual) results, the result analysis will be carried out. In the Performance appraisal, a weightage of 50 points is assigned to the parameter of University results of the subject's faculty have taught. The benchmarks for results are decided based on trend analysis. Following facts are taken into account while relating students' results with faculty Performance appraisal:

- a) For first year, more efforts are required at entry level. As student goes to higher classes from first year to final year, understanding and maturity level goes on increasing and subsequently student performance improves.
- b) Adaptability to Nursing subjects and hence exam results goes on increasing from first year to final year.
- c) The results of subjects vary as per the difficulty level of subject. Thus, highest result of difficult subject and lowest result of easy subject are taken into account.

Sl.No	Student's Results (In Percentage)	Grade of Student
1	75% &above	Distinction
2	65 and above%	First class
3	50%	Pass class

Note: A candidate passing university examination in more than one attempt shall be placed in **Pass class** irrespective of the percentage of marks secured by him/her in the examination.

Parameter-3: Appraisal by HOD and Principal to Teaching Faculty (100 points)

As per the schedule decided by Principal and HOD, an appraisal of faculty will be done on the basis of parameters enclosed in the (Annexure-III). After evaluating all parameters by the Associate Professor/Professor/HOD, the remarks will be written by the Principal. This will be done at the end of every academic year.

Parameter-4: Appraisal by departmental faculty to HODs (100 points)

Every academic year, an appraisal of HODs including Principal will be done by the departmental faculties/ all faculties on the basis of parameters enclosed in the Annex-IV. This will be done at the end of every academic year.
