A committee of seven members is constituted and notified by the Office of the Principal, SDUCON, to serve for a period of three years and to monitor the core activities undertaken. The committee coordinates to oversee the activities undertaken by the incubation committee members, in fostering overall growth of the innovations in the institution. The decision of the committee will be final and shall not be open for review or appeal.

The activities of creation and transfer of knowledge focuses on the following core elements;

1. Enhance interaction and cooperation between researchers for interdisciplinary and multidisciplinary work.
2. Take up research projects related to emerging health issues.
3. Organize research promotion events like conferences, seminars, workshops, invited guest lectures.
4. Motivate faculty for doctoral and post-doctoral research.
5. Encourage faculty to undertake research projects in thrust areas in health sector.
6. Promote research publications.
 - a. Institutional Ethics Committee (IEC) helps to safeguard the dignity, safety rights and wellbeing of all the potential research participants and to conduct scientific evaluation and to ensure technical appropriateness of the proposed study. It also guides and motivates faculty and students to publish/ present their research work in reputed journals, in various national and international conferences.
7. Further ecosystem is empowered by institutional LMS named as Gyan-bhandar.

Madam,

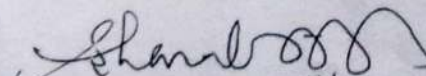

Sub: Allotment of incubation unit for your proposed start-up company dealing with 'nursing care for pressure injury' reg.

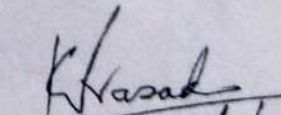

This is in reference to your application for the allotment of a unit in the RLJ Health Science Incubator of the Academy for incubating a start-up company specialized in entrance exam coaching. I am pleased to inform that your application has been recommended by the Incubatee Selection Committee. On this basis, sanction is hereby accorded to you to set up your proposed start-up venture in the RLJ Health Science Incubator. This allotment shall be valid for a period of one year with effect from 6th January 2021. Extension of the allotment period shall be as per the Incubator's policy.

You and your company shall be governed by the Incubator's Use and Operation Policy. You can download a copy of the same from the Academy's website (<http://sduu.ac.in/wp-content/uploads/2020/07/RLJ-Incubator-Policy-Notification.pdf>).

The Coordinator of RLJ Health Science Incubator shall be the primary contact person for all transactions with the incubator.

You will be provided with professional mentoring that will help you develop the idea into a viable plan. You should make best use of this service and finalise your business plan within 3 months from the start date. A copy of the plan should be submitted to the Coordinator of RLJ Health Science Incubator.
