**REPORT ON NATIONAL SERVICE SCHEME DAY**

**"The smallest act of kindness is worth more than the grandest intention."**

September 24 is observed as NSS Day since 1969 and is marked across the nation with great enthusiasm. It is the day when this public service scheme was officially launched in India. NSS Day is a celebration to commemorate the tireless efforts of each volunteer towards the welfare of one and all.

In view of *NSS Day - 2022*, NSS Unit of SDUCON has conducted **"Health screening for diabetics and hypertension"** on 24/09/2022 at 10:30am in Arbikothanur village. Fourth year 84 B.Sc(N) students conducted the programme, under the supervision of NSS program officer Dr. Malathi K V , Ms Sumana yesu priya and Ms komala.devi.R.

As per our survey total 228 houses are allotted for the students. We started screening at 10:30am. Out of 228 houses 120 houses were visited and tested the family members (those who completed 30 years) for diabetics and hypertension. In that 30 members found with diabetics (12 females & 18 males) and 25 members (15 males & 10 females) with hypertension. We wined up the programme by 12:15pm.
