Dear Participants,

The department of Psychiatry is happy to inform you that we are conducting a CME on World Mental Health Day with the theme "Mental health is universal human right"

The objective of World Mental Health Day is to raise awareness of mental health issues around the world and to mobilize efforts in support of mental health. The Day provides an opportunity for all stakeholders working on mental health issues to talk about their work, and what more needs to be done to make mental health care a reality for people worldwide.
