Parent Teacher Association Meeting Minutes

Parents Teachers Association meeting was scheduled on 26/5/2023 for IV BSc (N) and II GNM (N) students at 10am in IV BSc class room, SDUCON.

But except parent of Ms. Prema, IVth year B.Sc (N) student, none of the parents attended. Then committee called both the batch students and enquired for the same, then they said parents were unable to attend the meeting as it is offline. Most of the parents used to come and attend the meeting with other batch students parents but this time due to psychiatric posting (II GNM), and Delhi educational visit (IV B.Sc. (N)) it was scheduled only for II GNM & IV B.Sc (N) students remaining batches it was held on 13/4/2023.

Then it was decided to conduct next PTA meeting along with other batches of student's parents. Further class coordinators communicated through the phone with few parents for their absence and for which they assured for next PTA meeting along with other batches parents they will attend without fail.

Institution through whatsapp parents group. Then parents came up with the doubts on medical leave like number of days, type of medical documents which has to be submitted for approval of sick/medical leave and also a query was raised to increase the duration of vacation to more than 10 days and also to permit students to visit their native even during third Saturdays. For above query principal suggested to take their children informing the class coordinator priorly and the students has to report on Monday without fail in case leaves are taken on third Saturday. Finally, parents expressed their gratitude to Principal and faculties for giving quality education and helping their children to overcome the challenges faced in the academic aspects. The committee members requested parents to fill PTA feedback on overall opinion of institution & curriculum.

3. Any other matter: the points discussed in any other issues are as follows:-

a. Hostel: Parents informed that bed bugs are present in hostel and children's are getting skin issues related to it, hence informed principal to debug hostel premises. For which hostel warden Dr Malathi.K.V informed when children travel frequently it is one of the mode of transportation of bed bugs to the hostel through students. Irrespective of information given to students to clean bags and luggage's after travel, they are bringing luggages directly to room, which is the main cause. Even after debugging is done 2 times a year and whenever required, it is done and informed parents to guide the children to keep the room clean. Further principal informed that they are working on Ayurveda medicines to prevent bed bugs very shortly.

b.Food: Regarding food, parents informed that foods served to the students are not sufficient and when the students are on community postings there is food shortage for which principal suggested hostel warden to look into the issue and also informed to keep separate food for community posting students .

With the above discussion meeting was adjourned at 12:30 pm.
