Notification

Sub: Implementation of e- governance policy and architecture

Sri Devaraj Urs College of Nursing in order to provide simpler and efficient system of governance within the institution, it is decided to adopt and implement e-governance in our day to day functioning.

The College has already started with e-governance in some aspects of functioning like student admission and accounts. But, now we have resolved to implement e-governance in many more areas and with this aim in view we have drafted this policy framework.

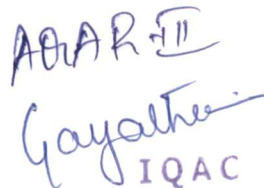

Objectives of e-governance:

- Implementation of E-governance in various functioning of the institution
- Achieving efficiency in our functioning
- Promoting transparency and accountability
- Achieving paperless administration of the institution
- Facilitating online internal and external communication between various institutions
- Providing easy access to information
- Making the institution visible globally

E-governance in following areas

Website: The College has created the website in which activities and information about all activities, important notices, etc will be made easily available to the outsiders.

Student Admission: The College is admitting students through online mode. This will cover admissions to all courses conducted by the College.

Accounts: For ease of maintaining accounts, the College finance department using Tally software. All financial transactions between the College and students, staff and external are made through online.

Library: The library has easylib software facility from which in and out, books circulation, accession report and member ID is maintained. Apart from this helinet facility is provided from the affiliated university and from this students and staffs are able to e-journals and books from College digital library.

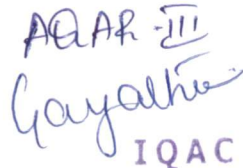

Teaching and learning: For effective teaching and learning process, the College using learning management (LMS) system software and online classes including online evaluation and feedback system. College also conducting online parents and teachers meet, conferences, seminar, posture presentation, quiz etc.

Administration: For effective internal communication between the staff and students whatsapp group is created and wherever required email is used.

Examination: As per the directions of the affiliated University, it is mandatory to handle examination in online manner. Filling of examination application forms, obtaining hall tickets, receiving of examination papers, uploading of marks, revaluation forms, photocopy forms etc. everything has to be done in online manner.

E-governance Architecture: is the use of modern information and communication technologies such as internet, local area network, wide area network, mobiles, etc., by the College to improve effectiveness, efficiency, and service delivery to the staff and students to promote transparency.

Implementing e-governance:

Implementing e-governance aims at achieving several objectives and goals that adhere to the following principles:

- Improvement e-governance services to the students and staff
- Empowerment of staff and students to access College related information and ability to interact with staffs
- Transparency in achievement and accountability.
- Improvement of internal relationship between the staff and students

Goals of e-Governance

- To enable students and staff to access the College related information.
- It enables students and staff to participate in the committee related decisions
- To provide reliable and efficient e-services to the students and parents
- To guide and support users to access e-resources
- To interact with students with regard to class, complaints, feedback etc
- To provide class notes/ videos / IA test or exam time tables, question papers etc
