REPORT ON ANTENATAL CLINIC 2023

OBJECTIVES

1. Maintenance of health of mother during pregnancy through health assessment.
2. To promote physical, mental, and social wellbeing of the mother and child.
3. To teach the mother about childcare, nutrition, sanitation and hygiene.
4. To advice the mother about breastfeeding, postnatal care, and immunization.

PRELIMINARY PLANNING

We planned to conduct antenatal clinic on 09-02-2023 at DRS PHC.

- Prior permission was availed from medical officer.
- Allocation of work was decided among faculty.

REPORT OF ANTENATAL CLINIC – 202

Department of Community Health Nursing of Sri Devaraj Urs College of Nursing in co-ordination with IQAC organized Antenatal clinic on 09-02-2023 at 10:30am for antenatal mothers in Devarayasamudra PHC. The program started at 10:30 am with invocation song and students were allotted to different counters. The first counter started by registration section, a total of 17 mothers had been registered in the clinic, each mother was provided with antenatal card and demographic data was collected. In the second counter the vitals parameters of the mothers recorded in the antenatal card. The Hemoglobin level of the mothers checked in the third counter. The fourth counter was abdominal/antenatal examination, assessments like examination of fundal height, foetal movement etc, were carried out. Each mother was accompanied by a student to various section of the clinic from registration till the assessment section.

After the assessment section antenatal mothers were made assembled together for group health education on the topic antenatal diet and antenatal exercise. In order to make aware diet and health live demonstration of sample menu plan as per the recommended calorie requirement of the antenatal mother was demonstrate and discussed by 12:30 pm we ended up the antenatal clinic, and refreshments were given to the antenatal mothers.

REPORT ON GERIATRIC CLINIC

Department of community health nursing in coordination with IQAC conducted "Geriatric Clinic" on 07/02/23 at Smt. Anjanamma R L Jalappa old age home, Tubagere Doddaballpur. The programme started at 12:00 pm with an invocation song and warm welcome was given Ms. Krupashree, 4th year BSC Nursing, SDUCON.

The programme was inaugurated by lighting the lamp by Mrs. Suma, Staff Nurse, in-charge of Smt. Anjanamma R L Jalappa old age home. Later the health assessment was carried out to all the inmates.

RESULT OF ASSESSMENTS:

Total number of inmates registered is 21

Health Problems identified were:

1. Body Pain-11
2. Hypertension-08
3. Diabetes-09
4. Vision Problem-17

After the assessment few activities was arranged for the inmates such as musical chair, passing the ball, singing and dance competition.

Recreational programme was arranged for the inmates by our 4th year BSc nursing students. 2 Retro fusions were performed by the students and faculty. At the end of the programme, Inmates showed their gratitude by expressing few words about the activity and the screening program conducted by us, by which all the inmates were found to be happy and involved actively on that day.

REPORT ON POSTNATAL AND IMMUNIZATION CLINCS-2023

OBJECTIVES OF POSTNATAL CLINIC

1. Assessment of postnatal mother and child.
2. Identification high risk care and appropriate management.
3. Prevent development of postnatal complication.
4. Teach the mother about nutrition, immunization and postnatal exercises.

PRILIMINARY PLANNING

- We planned to conduct post- natal assessment and to provide health education regarding post- natal diet, immunization and exercise.
- Different counters for arranged for the post natal clinic like, registration, vitals, anthropometric measurement of mother and child, immunization, post natal exercise, diet and refreshment.
- All the equipment and the articles needed for performing post -natal assessment such as BP apparatus, TPR set, weighing machine, Infantometer were collected from community lab.

Department of Community Health Nursing conducted Post Natal Clinic on 09/02/23 in the Government PHC, Devarayasamudra. Prior permission was availed from the medical officer for conducting post -natal clinic in RHC.

The program started at 10:30 am with invocation song by Ms.Juby and team, IV-year BSc nursing. Students were allotted to different counters. The first counter started by registration section, a total of 14 mothers had been registered in the clinic, in the registration section the mothers were provided with postnatal card and demographic data was collected.

In the second counter the vitals parameters of the mothers are recorded and anthropometric measurements of baby was checked in counter three. Health education on diet was given on fourth counter. In the fifth counter health education on postnatal exercise were demonstrated. Health education on immunization and weaning were conducted on sixth and seventh counter. By 12:30 pm we ended up the postnatal clinic, and refreshments were given to the postnatal mothers.

INTRODUCTION

In-service education is a planned education activity intended to build upon the educational experimental bases of the professional nurse for the enhancement of the practice, education, administration and research, theoretical development aimed at improving the health of public.

OBJECTIVE

The main objective of in-service education is:

- To raise awareness on prevention and control of vector borne diseases among ASHA workers.
- To raise awareness on prevention and control of TB among ASHA workers.
- To emphasize on various Health Schemes in Karnataka.

PRELIMINARY PLANNING

- Prior permission was taken from the Medical Officers to conduct In-Service education in PHC on 24/08/2023. The Topic selected is Prevention and Control of TB, vector-borne diseases and awareness on Health Schemes existing in Karnataka.
- ASHA workers were informed to attend the program on 24/08/2023 at 10:30am time DRS PHC
- Flashcards and charts were prepared on the same topic.

REPORT ON IN SERVICE EDUCATION- 2023

The program started at 10:30 am with an invocation song by Ms. Annie and team, 4th-year B.Sc. (N), and the gathering was welcomed by Ms. Amrutha GN, 4th-year B.Sc. (N) with welcome address, followed by Role Play performed by Ms. Anitta Mathew and team on Janani Suraksha Yojana and Maternal and Child Health welfare.

Next by using charts, preventive and control measures of vector-borne diseases and TB was explained by Ms. Sonu MV and Ms. Meghana V.

Then by using flash cards, ASHA workers were oriented to the following health schemes.

1. Sandhya Suraksha Pension Scheme - Ms. Krupashree
2. Rashtriya Bal Swasthya Karyakram - Mr. Vishwas Gowda
3. Maternal and Child Health - Ms. Navarathna
4. Bhagyalakshmi Scheme - Mrs. Keerthi
5. Vajpayee Aarogya Shree Yojana - Mr. Rakesh
